Summer RECIPES

HELPFUL HINT: Read the labels on BBQ sauces. While you don't have to only buy the sugar-free varieties – you do need to be aware that they could be contributing a lot of calories and/or carbs. Try a marinade instead of a high-sugar BBQ sauce.

STRAWBERRY BANANA ICE CREAM

MAKES 6 SERVINGS
84 cal, 21g carbs

4 frozen bananas

3 cups frozen strawberries, halved

Cut the bananas into small chunks and place with the strawberries in a food processor. Blend until smooth. It will take a few minutes and you may need to pulse it on and off for a while, but the little bit of effort is worth it! You'd never guess there is no fat or cream in this very smooth dessert. Eat it immediately as a soft-serve, or freeze until ready to eat.
